S. Atkinson-Chickens should be voted down.

R.Ehlers-Did we have a quorum last meeting? He questions whether anyone else is on committee since ordinance states Chief of Police. Wonders if every meeting has been held illegally. Do citizens have to give name and address during comment time?

S.Dooley,-Asking about noise ordinance. KMD at 75 decibels, state fair was 95.

S. Roysten-Chicken and animal ordinance was submitted by her for committee review. Also asked why the chief didn't attend meetings the last few months.

R. Ehlers-Still believes committee is against its own ordinance because were only two trustees.

S. Roysten-#6 should include excluding turkeys and #8 noise, the agenda item is not specific enough for the public to know what is being discussed. Questions on if the commercial district decibels should be different than residential? We need to have noise ordinance looked at by the attorney.

S.Atkinson-residents next to bar complain of noise, have we looked at what the City of Waukesha does?

R.Ehlers-noise seems to be an issue with just a couple of residents. Hopes the committee will approach ordinance from a business friendly perspective.

S.Dooley-the board is more business friendly now than it use to be.

S.Roysten-All residents pay taxes and the ordinance should be fair to everyone.
